

**RICK SCOTT**  
GOVERNOR

May 27, 2015

Dear Friends:

It is my pleasure to commend you for your continued and dedicated service to your community and Florida's students through Stand Strong Florida. Thank you for working to inspire students through the Nick Vujicic's personal story.

The community involvement of generous Floridians like you is essential to our state. Every great job begins with a great education, and every job has an impact on families. That's why we are working every day to make Florida the world's top destination for business. Because we are creating an environment where our private-sector can succeed, our growing economy is making it possible for us to invest in areas important to Florida families, including record amounts in K-12 education, holding the line on college tuition, and cutting another \$1 billion in taxes over the next two years.

Thank you for your dedication and service to Florida families.

Sincerely,
